Whether you have come to Costa Rica for retirement or a vacation, we offer the opportunity to learn the language and grasp the culture through our Spanish program. We have been successfully teaching Expats and visitors in San Ramon for over four years. Our certified teachers are more than willing to help those people who are interested in learning the language.

We offer both private lessons and group lessons with a maximum of five people per group. As a proud member of the Community Action Alliance, Green Mountain Academy is pleased to announce the following Membership Rewards pricing:
