

We Serve the Community

CAA's members contribute their time, talents, and financial resources to the community. We are always finding ways to make a positive difference for the people of our adopted community.

CAA Programs

- **Education Scholarship Program** provides scholarship support to needy students as they progress from elementary school through high school and college. It works with local vendors to provide supplies and support such as eyeglasses, uniforms, and school supplies.

- **English Conversation Club** helps students improve their spoken English and conversational confidence. All mentors are volunteers and proceeds from this program benefit CAA's Education Scholarship Program.
- **Spanish Conversation Groups** meet virtually at three levels to learn and practice their skills with a native speaker.
- The **Christmas Toy Drive** is conducted to collect money for the purchase of toys that are then distributed to underprivileged children in the San Ramón area.

- **Donations** gathered at CAA events help fund local food pantries and our Christmas Toy Drive.

Our Alliances

- **Árbol de Esperanza** provides a structured program of support and training programs for women within San Ramón and surrounding communities, with the goal of helping women achieve individual autonomy.
- **Bajo Tejares Tamale Christmas** helps the village women of Bajo Tejares, an exceptionally poor area of San Ramón, celebrate a much-loved Christmas tradition by purchasing the tamale ingredients and helping make these special treats that the women give to their families and neighbors.
- **Birthday Buddies** provides a birthday party and gift for each child at San Ramón's orphanage (the Hogarcito).
- **Blankets for Babies of San Ramón** provides packets containing handmade blankets, burpie pads, changing mats, and other items for the underprivileged mothers of newborns in the area. Volunteers make the items and twenty mothers, on average, are served every month.
